01.	Desktop Computer	Model: Lenovo Think Station P7 Workstation or equivalent Processor: Intel vPro® with Intel® Xeon® W9-3595X (60 cores, 2.0GHz, 112.5MB cache, 385W) Memory Capacity: 128 GB (8 x 16GB) DDR5 4800MHz ECC RDIMM Hard Drives: 1TB NVMe M.2 PCIe SSD Gen4 Performance TLC Opal (Primary) 2 TB NVMe M.2 PCIe SSD Gen4 TLC Opal (Secondary) Graphic Card: NVIDIA® RTX™ 6000 Ada (48GB GDDR6) K/B Mouse: Manf. Standard Keyboard, 2 Button Optical Wheel Mouse Network Adapter: Built-in Model: ThinkVision P27q 27" QHD – QHD (2560×1440) Power Supply: 1400W 80 Plus Platinum Rated, Input voltage 220-240V Cables: Power cord UK Standard Warranty: Manufacture Standard Warranty	01 No.

Terms and Conditions

1. Equipment and accessories provided by the supplier to NCP must not be refurbished.
2. Delivered item(s) will be physically inspected by the inspection committee.
3. Delivered item(s) will be checked for the physical as well as logical feature set mentioned in specifications.
4. Serial numbers of all the item(s) delivered to NCP must be verifiable from the respective brand's web portal or support center.
5. Supplier will provide NCP the standard warranty given by the manufacturer if warranty is not explicitly requested by NCP.
6. Supplier will provide NCP the details of warranty claim procedure in case of any fault with the equipment.
7. Acceptance of the delivered item(s) will be subject to fulfillment of all above points (1-6).
